The city of Pau and its metropolitan area has a big sporting culture and has already proved their capacity to host events at the highest level : Tour de France and Vuelta (cycling), CCI 5* (riding), Pelota world championships in 2010, ... and for canoe slalom numerous ICF World Cups, one European Championships and one ICF World Championships.

Feel free to join us to share together strong emotions and nice sensations through this exciting adventure!

The Organising Committee

PRESIDENT'S WORDS

For many years, the French Canoe Federation gained a lot of competences in hosting international competitions of great quality. The history in Pau began in 2009 with the ICF Canoe Slalom World Cup at the new inaugurated Whitewater stadium of Pau-Pyrénées. Then, it never ends to confirm the trust the international governing bodies of canoeing put in the Pau Organising Committee and in the French Canoe Federation.

It is with the same enthusiasm and the same passion that French Canoe Federation and Pau Béarn Pyrénées community of towns will work together in order to lead a new exciting project.

We hope to see you soon in Pau!

Jean ZOUNGRANA,
French Canoe Federation President

François BAYROU,
Mayor of Pau
