1 WELCOME

On behalf of British Canoeing and all our partners, I cordially welcome all participants to the 2020 ECA European Canoe Slalom Championships, Lee Valley, London. It is our pleasure and privilege to welcome you for what we are sure will be an exciting and high quality event in this important Olympic Year.

We are proud to play our full part in the world wide community of Paddlesports. International events of quality are at the competitive heart of our sport and reflected in the current British Canoeing Strategy. Following on from the World Cup here in 2019 we are delighted to be welcoming Europe's best in 2020. We want to build our hosting further and will be welcoming a Freestyle World Cup this year and the 2021 ICF Canoe Freestyle World Championships in Nottingham. We are already looking forward to welcoming the Canoe Slalom community back to Lee Valley in 2023 for the World Championships. Our friends across the globe have set the standard high in previous championships and we shall be doing our best to ensure we meet that benchmark.

British Canoeing has secured the full support of many key partners and agencies amongst whom we are pleased to thank; in particular the UK Government, through UK Sport, Lee Valley Regional Park Authority and Lee Valley White Water Centre. They are steadfast partners and supporters in everything we do. We are proud of this world class facility and want to see it used to maximum effect.

The hosting of the European Slalom Championships, just months away from the Olympics, will provide the opportunity for international athletes to be challenged and excel on this first class course as part of that essential preparation for the Olympic stage. However, we have no illusion of the scale and significance of this wonderful event in its own right and the fine tradition upon which we build. We shall provide a fitting setting for Europe's best.

We are committed to ensuring the event is a great success and wish to ensure participants have the most positive of experiences.

Kind regards

Professor John Coyne CBE
Chair, British Canoeing
